Risk Audit & Assessment (RAA)

What is RAA?

Comprehensive analysis of your existing insurance portfolio and a comprehensive report on cost optimization.

Process of RAA

- Paper Audit – review of all prevailing insurance policy documents
- Physical Audit (for general insurance) – physical assessment of assets being insured

Result of RAA

- Whether terms and conditions of your portfolio are in alignment with your requirements
- Given the risk involved, whether the cover is sufficient
- If any enhanced terms are available in the market suitable to your risk profile
